LOCATIONS

You can choose between doing a studio location or at an on-site location (i.e. in Manhattan, Brooklyn, or Queens). If you choose the studio option, the fees will be your responsibility to cover and will vary depending on the studio booked.

TIME

For the Portraits package, the time frame of 2 hours is an approximate estimate of how long a shoot may take. I usually wrap up within 1.5 hours, but I would suggest blocking out 2 hours for the session just in case we need to retake some shots or if we want to do some extra poses.

HOW WILL I RECEIVE THE FILES?

You will receive the edited files within 1-2 weeks of your session. You will receive all of the files via Google Drive link. You will then be able to save the full-size and high quality images to post online or print out. You have up to 4 weeks to download the images before the folder will be deleted forever. Make sure to save and backup your images. I will be cleaning out my client files every few months and cannot guarantee that I will be able to backup the images for you.

DO I GET TO SELECT THE IMAGES?

Part of my job is making the image selects and choosing the most flattering photographs. I will be combing through them to weed out the blurry shots, the blinking shots, and any other unflattering features. Once that process is finished, I will be putting the selected images into a contact sheet for you to choose your final images for me to edit.

BOOKING YOUR SESSION

Once we have the discussion for expectations of the shoot, I will be emailing you a contract with full details of the shoot (including prices, date + time, location, type of session) as well as other terms and conditions. You will need to sign the contract as well as send a 50% deposit fee of the total cost of service in order to secure your session date and time. Nothing will be booked until the retainer is paid. The remainder 50% of your session will be due immediately following your shoot before we both part.

WHAT HAPPENS IF SOMETHING COMES UP OR IF YOU NEED TO CANCEL?

If something comes up like the weather is crazy or you got sick, you can put your retainer down towards a reschedule or you can have it refunded. However, if you need to cancel or don't show up to the session, the retainer will not be refunded. The reason for this is that I could have booked someone else if you had cancelled last minute.
